An every-day topic upon which all parties agree is, that the most uncommon thing for the month of May has been the ate cold weather.

Col. John G. Freeze has purchased and removed to the magnificent dwelling formerly owned and occupied by Hon. L. B. Rupert, at this place.

H. H. Hunsberger has opened a to bacco store, on Main street, three doors beow the American House. It is too late to puff it. They do that with good cigars.

The most conspicuous among our friends and townsmen in laboring to make home beautiful, comfortable and attractive, is our neighbor, Henry Hartman, on Market Street ... Would that all follow his example.

On last Thursday, for the first time this season, the people of Bloomsburg were rected in the Market by the appearance of fresh radishes, rhubarb, onions, salad, asparagus, &c. Hereafter we hope it will be a

We are credibly informed that on Saturday, the 5th inst., a snow fell on the and is almost the only one in use here. There ground. Rather singular for the 5th of May.

D. L. Everhart offers a valuable property, situate between Light Street and Orangeville, at private sale, or in exchange for town property. See his advertisement dress, Fowler & Wells, 389 Broadway, in another column.

Capt. Israel Mummey is keeping the "Espy Hotel" in good style, and is making that House one of the best in the county for travelers and others to "halt" at. "They do say" that he sets a "splendid table" and keeps nothing but first-class liquors in his bar.

We are pleased to learn that the "Good Templars" are doing a good work in their Association of this place. We hope they may be able to point to their efforts as contributing to the adornment of society and prosperity of our race. We wish them

We notice that many of our cotemporaries are publishing an Act changing the mode of granting hotel and restaurant licen ses as having passed the Legislature and become u law. This is not the fact. The bill passed the House but not the Senate, therefore it is not a law.

COURT. -There was quite a large attendance at Court on Monday and Tuesday of this week. The Commonwealth matter is light this Term; and the majority of the of Hotel licenses is being done to-day, (Wednesday). The Grand Jurors have been dis-A synopsis of the proceedings will appear in our next.

Not exactly, Mr. Hill. The Columbian neither claims to bea Republican paper nor is it on the "true Democratic track."-It does not support CLYMER. Hence it is not Democratic. Geary's name is not at its mast head, consequently there is nothing left for any one to conclude but that it is a . bastard institution and not on any "track."

Notwithstanding the beautiful and agreeable weather for farmers to work, up to going to press, there appears to be a pret-ty general turn out at Court. From all parts of the county, our Democratic friends are calling upon us, and giving us their most carnest and cheering support. We thank them for their friendly encouragement, and eir noble efforts in behalf of the Democracy. We are very glad to know, that ong the Democrats, our course in consolig the two Democratic papers of this making the DEMOCRAT & STAR a first es county paper are duly and properly ap-

We understand that there is a great deal of wining and threatening among certain individuals in this county, because the "Poor House Bill" was not permitted to become a containing a majority of Republican nmissioners, as it was originally drawn, ad sent to us at Harrisburg. We took the liberty, in justice to our constituents to amend the Bill at the right time and at the proper place, by placing in the Bill a majority of Democratic Commissioners. Without this, it would have been a very fine piece of legislation, coming from a Democratic member for a county which had polled for us nearly two transport democratic majority. Wouldn't As it is, it will give more general satis-m, and desire more townships to accept

It has been remarked in our hearing that it never cost the editor of the Republican much eash "to be a friend of the Union. But he continued his abuse upon Democracts without stint or measure during the war. So far he was 'outspoken, fearless and free.' The war was a benefit to the editor of the Republican, but ruinous to the people generally. He has received a lucrative position, furnished by the results of the war, through which he is nicely lining his poekets at the expense of the tax-payers. Wasn't the war a glorious thing for Shoddy but damaging to the poor people! Joun .- of Centre .- As far as we are permitted to judge the people are decidedly in favor of a Poor to the poor people!

ONLY ONE DOLLAR FOR THE DEMOCRAT AND STAB. - We will send the DEMOCRAT & STAR to any address for six months from the first of May-which will run until after the fall elections-for one Dollar! We trust our friends, and Democratic clubs throughout the county, will send us a large number of new subscribers. Whenever an effort is made subscribers are readily obtained. Who would not give a dollar for the DEMOCRAT & STAR during the next six months of this exciting campaign? Ourpaper will contain a large amount of political as well as general reading matter. Each name must be accompained with the eash.

ONE man, though he be President, does not constitute the Government. We have a Senate—a congress, elected directly by the people. And these representatives, in conjunction with the President, constitute the government. The President only can act by the advice and with the consent of the Senate. This is constitutional; and it would be well for the people to bear it always in mind .- Harrisburg Telegraph.

You dont say so! What an "eye opener" this information will be to the poor deluded creatures of the so called Union party, who were taught to believe Abraham Lincoln was the Government, and abhorred the nasty copperheads for arguing contrarily ! This is such a complete change of base that "it would be well for the people to bearit always

> COLORADO. -The U. S. Senate, on Tuesday, passed the bill admitting Colorado as a State. Earlier in the session the appropriate committee of the Senate reported, after full investigation, that Colorado ought not to be admitted at present, it being an immature, Territory, it being well known that it does not contain more than twenty-five or thirty thousand people, while one hundred thousand is the basis of representation for a a single Representative from other States. But the Radicals have made its admission a piece of partizanship of the purest water. They will by this movement secure two more Radical members of the Senate. The House will, doubtless, pass the bill soon. We hope the President will veto it, and that no new State will be admitted as long as the old ones are excluded from representation and their rights as States.
